

BUCCIA VINEYARD

SUMMER 2010

VINEYARD NEWS

We must be getting old! The winter seemed longer and worse than ever this year., but we have had a beautiful early spring. The grapes are a couple of weeks early budding out so we have had a big worry about frost. Hopefully, everything will be OK.

WINE NEWS

The reserve bottlings of Vignoles and Riesling have been very popular. We should have them thru the summer. We are also releasing a limited supply of Cabernet Franc. Agawam is still in good supply. REMEMBER, we can ship wine UPS in Ohio.

HARVEST PICNIC SEPT. 25TH

We have a fun event every fall that we call harvest picnic. Each year 40-50 customer/friends volunteer to pick grapes for 2-3 hours. We ask the participants to be at the winery about 11am and to pick until the vineyard is completed. That is usually by 1 or 2 pm. Then we have a nice dinner and sample some of the wines from the previous year. Let us know if you would like to help. I have put in an order for NO RAIN!

We planted the first vines in 1975.

BUSINESS HOURS

The tasting room is open daily 10 am - 6 pm, later on Friday and Saturday. Closed on Sundays
