#### VINEYARD NEWS

We are experiencing one of the wettest springs that we remember..... The back vineyard, is very wet, and we have had a hard time getting the vineyard trimmed. We expect bud break in the next few days, and if everything goes as planned, the grapes will be great this fall. We have to thank Jerry and Michelle and Jill and Jeff. Without them, we would not have survived this fall and winter. Thank you everyone for your good thoughts, fire wood, food and help.

#### FAMILY NEWS

As many of you know, Fred had a brain stem stroke last fall. He is doing well. Bottling has continued and we have all wines in stock. We made it thru harvest with a lot of friends' help.

#### HARVEST PICNIC

SEPTEMBER 24, 2011

As always, we had a great time at the harvest picnic. Unlike 2009, the weather cooperated and the job was done in record time. The 2010 growing season was exceptional and we expect the wines to be wonderful. If you are interested in helping pick grapes in September, please let us know. We need about 40-50 people. We can't guarantee the weather, but we always have a good time.
